Program Changes

Applied Mathematics

Applied Mathematics with an Actuarial Sciences concentration

Catalog Program Descriptions

While preparing for an upcoming accreditation visit Dr. Jason Best noticed the inconsistency of purpose of each program in the catalog. The program review process needs to be the same for each program. It was decided that Tracy will accept changes from Dr. Beard and Dr. Best for the catalog.

Motion to adjourn at 3:40pm. **S/P**

Respectfully submitted,

Donna Semler

Office of the Registrar
