The six-year graduation rate includes those students entering in Fall 2003 and completing degrees within 150% of the usual time to completion by the end of their sixth summer (Summer 2009). This includes students completing the certificate within one and a half years, associate's degree within three years, and / or the baccalaureate within six years.

Four-year rates are the rates for the combined 2000, 2001, 2002, and 2003 entering cohorts of full-time, first-time-in-college freshmen.

** within the data provided for students receiving athletic aid indicates a cohort or subcohort with five or fewer students. This information is suppressed due to student privacy issues.
