

1. Click the Syllabus tool on the left
2. Click Add item
3. Create a title for the Syllabus
4. Copy and paste your Syllabus in the text box or just hit Add and Publish
5. Then you are given the option to add an attachment such as a word doc or PDF. Choose a file from your computer or resources in Sakai
6. If you did not hit add and publish the syllabus will be saved as a DRAFT. To publish it go to BULK EDIT and click the publish box and hit update.
