campuslabs 

Your Campus Labs Platform at
Shepherd University

Baseline

Assess student learning and success through surveys, rubrics, and benchmarking

Beacon

Retain students using analytics and early-alerts

Course Evaluations

Elevate teaching and learning with meaningful data

Engage

Promote meaningful engagement experiences across campus

Faculty

Manage course rosters, course evaluations, and more with a personalized dashboard

Locations

Track the use of facilities across campus

Faculty Experience Tool

The screenshot shows the Faculty Experience Tool interface. At the top left, there is a 'Faculty' logo. The top right corner displays the user's initials 'JF' and name 'Julia'. A navigation bar contains links for 'Home', 'Course Evaluation Questions', 'Response Sessions', 'Rubrics', and 'Trends Analysis'. The main content area features the name 'Julia Franks' and a 'Success Notifications' button. Below this is the 'Selected Term' section with a dropdown menu set to 'Fall 2018-2019'. The 'My Courses' section lists 'FYEX 102 (17)'. To the right of this course entry, there is a yellow arrow pointing to a 'Roster: 14' label and a 'View Course Roster' button. Below the course entry, a message states: 'An evaluation does not exist for this section at this time.'

Faculty Experience Tool

The screenshot displays the Faculty Experience Tool interface. A modal window titled "Create Notification" is open, showing three notification types: Update, Alert, and Encouragement. The background shows a course roster for "FYEX 102" with a "Course Roster" section, a "Maximum Unexcused Absence" section, and a table with columns for "Unexcused Absences" and "Excused Absences".

Create Notification

Pick Notification Type

- Update**
Updates allow you to share information about a student with members of their success network.
- Alert**
Alerts are **very important** updates and will **require a response** from the Success Network.
- Encouragement**
Students who receive encouragement to work hard toward their goals are more engaged in learning than their peers. Helping students adopt a [growth mindset](#) will help them reorient their attitudes toward learning.

Faculty Experience Tool

The screenshot displays the Faculty Experience Tool interface. A modal window titled "Create Update" is open, allowing a user to create a notification for a student. The modal includes the following fields and options:

- Student's Name or Id:** A text input field with the placeholder "Start typing name or Id...".
- Allow student to view update:** A checkbox.
- Audience:** Radio button options for:
 - Private (*you and system administrators*)
 - Professional Staff (*excludes Peer Advisors*)
 - Full Network (*Professional Staff and Peer Advisors*)
 - Specific Network Members (*select individuals connected to this student*)
- + Additional Audience Members:** A button to add more members.
- Occurrence Date:** A date selection field.
- Categories:** A dropdown menu.
- Reasons:** A dropdown menu.
- Description:** A rich text editor with bold, italic, underline, and link icons.
- Save Update:** A button at the bottom right of the modal.

The background interface shows a "Course Roster" for "FYEX 102 (". It includes a "Maximum Unexcused Absences" section with a legend for "At Maximum" (yellow) and "Over Maximum" (red). A "Show 10 entries" dropdown is visible. A "New Notification" button is present in the top right of the background interface. Below the legend, there is a table with columns for "Unexcused Absences" and "Excused Absences", each containing a grid of up/down arrow buttons.
