Your Campus Labs Platform at  
**Shepherd University**

## Baseline

Assess student learning and success through surveys, rubrics, and benchmarking

## Beacon

Retain students using analytics and early-alerts

## Course Evaluations

Elevate teaching and learning with meaningful data

## Engage

Promote meaningful engagement experiences across campus

## Faculty

Manage course rosters, course evaluations, and more with a personalized dashboard

## Locations

Track the use of facilities across campus

# Beacon Webpage

The screenshot displays the Beacon Webpage interface. At the top, there is a navigation bar with a "Students" tab on the left and a search bar on the right containing the text "Find a Student...". A red notification icon with the number "0" is positioned to the left of the search bar. A yellow arrow points from the bottom right towards the search bar. Below the navigation bar, the main content area is divided into two columns. The left column is titled "My Students" and contains a "Success Notifications" panel with a "Filters" button. The right column is titled "My Network" and features a sub-navigation bar with tabs for "Students (74)", "Following (0)", "Groups (0)", and "Meetings (0)". Below this is a search bar labeled "Search students..." and a "Filters" button. The "My Network" section contains a list of student profiles, each with a profile picture, name, and a green button labeled "0 Alerts".

# Beacon Webpage

The screenshot shows the Beacon Student Report interface. At the top, there is a navigation bar with the Beacon logo, user name 'JF Julia', and a search bar containing 'Find a Student...'. Below the navigation bar, the main heading is 'Student Report'. The profile for Maya Gonzalez is displayed, including her name, last signed in status, and email address. A yellow arrow points to the 'Academic Profile' section, which contains several data points, all of which are '(No Data Supplied)'. To the right, the 'Network' section shows a message 'You are not connected to this student.' and the 'Stream' section shows '0 Open Alerts' and '0 Lowered Alerts'.

# Beacon Webpage

The screenshot shows the Beacon web application interface. At the top, there is a navigation bar with the Beacon logo and user information (JF Julia). Below the navigation bar, there are tabs for Administrations, Students, Reports, and Settings. The main content area displays a "Student Report" for Maya Gonzalez, including a profile picture, name, last signed in date, and email address. Below the profile, there are tabs for Academics, Assessments, and Demographics. The Academics section shows "Academic Profile" with "(No Data Supplied)" for Current Credits and Cumulative. Other sections include Enrollment Status, Academic Standing, Anticipated Graduation, Degrees, and Concentrations, all showing "(No Data Supplied)". At the bottom, there are two alert counters: "0 Open Alerts" and "0 Lowered Alerts". A "Create Notification" modal is open in the center, titled "Pick Notification Type". It lists three options: Update, Alert, and Encouragement, each with a brief description and a right-pointing arrow.

**Create Notification**

**Pick Notification Type**

- Update**  
Updates allow you to share information about a student with members of their success network.
- Alert**  
Alerts are **very important** updates and will **require a response** from the Success Network.
- Encouragement**  
Students who receive encouragement to work hard toward their goals are more engaged in learning than their peers. Helping students adopt a [growth mindset](#) will help them reorient their attitudes toward learning.

# Beacon Webpage

The image shows a screenshot of the Beacon Webpage. The background is a 'Student Report' for Maya Gonzalez. The report includes a profile card with her name, email (MGONZA02@rams.shepherd.edu), and a 'Not Following' status. Below the profile are tabs for 'Academics', 'Assessments', and 'Demographics'. The 'Academic Profile' section is visible, showing various metrics like 'Current Credits', 'Cumulative Credits', 'Enrollment Status', 'Academic Standing', 'Career Level', 'Class Standing', 'Anticipated Graduation', 'Degree Program', 'Majors', and 'Minors', all with '(No Data Supplied)'.

Overlaid on the report is a 'Create Notification' modal window. The modal has a title 'Create Alert' and a back arrow. It contains the following fields and options:

- Student:** Maya Gonzalez
- Allow student to view alert
- \* Audience:** Radio buttons for 'Professional Staff (excludes Peer Advisors)', 'Full Network (Professional Staff and Peer Advisors)', and 'Specific Network Members (select individuals connected to this student)'. A link for '+ Additional Audience Members' is also present.
- Occurrence Date:** A date picker field with the text 'Select a date...'.
- Categories:** A dropdown menu with 'Select...'.
- Reasons:** A dropdown menu with 'Select...'.
- \* Description:** A rich text editor with bold (B), italic (I), underline (U), and link (🔗) icons.

At the bottom of the modal are 'Save Alert' and 'Cancel' buttons. A disclaimer at the bottom of the modal reads: "Information contained in BEACON is governed by FERPA. Dissemination or duplication of information is strictly prohibited."

# Beacon Webpage

The image shows a screenshot of the Beacon web application. The background is a 'Student Report' for Maya Gonzalez, with various tabs like 'Academics', 'Assessments', and 'Demographics'. A 'Create Alert' modal is open in the foreground, allowing the user to configure an alert for the student. The modal includes fields for the student's name, a checkbox to allow the student to view the alert, and radio button options for the audience: Professional Staff, Full Network, and Specific Network Members. There is also a field for the occurrence date and a dropdown menu for categories. The categories list includes Academic Advising, Academic Performance, BIT, Class Attendance, Conduct, Finances, General Concerns, Health and Wellness, Housing/Residence Life, and Official Withdraw. At the bottom of the modal are 'Save Alert' and 'Cancel' buttons.
