FROM THE PRESIDENT

A sesquicentennial milestone! While many things have changed over the past 150 years, I am profoundly grateful for what remains constant – our dedication to empowering the next generation of leaders and model citizens.

With your generous support, we have made noteworthy advancements – from our humble beginnings as Shepherd College, instructing students in languages, arts, and science, and sending teachers into classrooms around the state – to today's Shepherd University, serving as a preeminent regional center for academic, cultural, and economic opportunity. We recognize that the home of Shepherd University in the Eastern Panhandle is primed to become a hub for the state's innovation economy – and we are the primary catalyst for this transformation.

What is Shepherd's legacy? Our students tell us that long after they graduate, they continue to have fond memories and gratitude for their mentors, the faculty, and staff who helped them succeed. As a Shepherd family, we have been through an emotional roller coaster over the past 18 months – and we have relied on each other for strength and resilience. We have done this because we care deeply about our colleagues and especially our students – about their wellbeing, about their academic success, and about their futures. What makes Shepherd special with an enduring legacy is each of you and all of you.

As we celebrate 150 years of Shepherd history, let's join together and respectfully honor the past – the many accomplishments of our dedicated faculty, staff, students and alumni – and dedicate ourselves to transforming the future.

Dr. Mary J.C. Hendrix '74

WISH PRESENTS FIRST COURAGE TO INSPIRE, STRENGTH TO EMPOWER AWARD

Women Investing in Shepherd University (WISH) presented its first Courage to Inspire, Strength to Empower Award to Shepherd alumna Danielle Stephenson '20 of Charles Town, West Virginia. Created to recognize and cultivate the next generation of women philanthropists, the award is presented to outstanding female student leaders whose service and commitment to excellence benefit and inspire members of the Shepherd community. Winners are announced during the annual WISH Membership Program and are invited to vote as an honorary member for that year's grant awards.

Since joining the Ram family in 2016, Danielle has raised over \$2,000 for Children's Miracle Network Hospitals. She has also traveled over 1,000 miles throughout the state to educate West Virginia youth on the drug epidemic as part of a program she created called Too Smart to Start. As an undergraduate, Danielle

served as both president and vice president of the Student Government Association and sat on the Shepherd University Board of Governors. She also served the Delta Zeta sorority as vice president of philanthropy and has planned events for local and national agencies, including the Eastern Panhandle Empowerment Center and Starkey Hearing Foundation.

In her current role as the graduate assistant for Shepherd's student community service, Danielle is involved with stocking the Ram Pantry, created to help food-insecure students, faculty, and staff. She is also busy promoting her newest initiative, G.I.V.E Through Volunteerism, which aims to bring volunteer activities directly to West Virginia residents. Danielle's meaningful philanthropic work both on and off campus truly embodies the commitment of WISH to impact and enhance the Shepherd community.

MAJOR GIFT BENEFITS SEEDING YOUR FUTURE INITIATIVE

A major gift made through the Shepherd University Foundation in 2020 was designated in support of Shepherd University's Seeding Your Future Initiative. The gift was made by Shepherds-town resident Mary C. Bell in memory of her late wife, Sandra Jenkins.

"Sandra was a great believer in 'the spark' — that magical moment when a young person discovers a nugget of knowledge that excites and engages her or him," said Mary, pictured here with Monica Lingenfelter, executive vice president of the Shepherd University Foundation. "She firmly believed in the Seeding Your Future Initiative as a place where sparks can fly!"

The Seeding Your Future Initiative (SYFI) was founded in 2015 by associate professor of physics Sytil Murphy and former assistant professor of chemistry Jordan Mader, colleagues in Shepherd University's Institute of Environmental and Physical Sciences. The program encourages middle school-aged girls, grades 5-8, to pursue careers in science, technology, engineering, art, and mathematics (STEAM). In early 2020, an article about SYFI in Shepherd University's alumni magazine noted the program was on hiatus following an unsuccessful bid to secure additional funding. It was this feature that motivated Mary to make her gift as a tribute to Sandra, who had long believed that STEAM fields would benefit from more women and vice versa.

SCHOLARSHIP SPOTLIGHT: LAURA CASTRO-VARGAS

Throughout the month of April, the Shepherd University Foundation paid tribute to graduating seniors in a weekly Scholar Spotlight series on Facebook. Laura Castro-Vargas '21 was among the graduating Foundation scholars featured in the spotlight. A Spanish major from Martinsburg, West Virginia, Laura was the recipient of the Thomas T. and Margaret S. Dunn Scholarship. This general academic award was endowed by the estate of Margaret

Dunn to give back to the community by providing opportunities for Martinsburg High School students to receive a quality education.

"This wonderful scholarship award has benefitted me by allowing me to obtain the classes I needed in order to graduate this year," said Laura. "I cannot wait to begin my dream job after all the hard work I've done!"

MEET OUR DONORS: AL YOUNG '89

Al Young '89 graduated from Shepherd with a degree in hotel and restaurant management and went on to enjoy a successful career in the hospitality industry. Al helped lead the former LaSalle Hotel Properties in Washington, D.C., rising from asset manager to chief operating officer before facilitating the sale of the company in 2018. He is now focused on raising capital for Narrows Lane Hospitality, an investment platform for hotel real estate that he established in 2019.

Al remains actively engaged in alumni activities at his alma mater. He is a member of the President's Club and the Shepherd University

Alumni Association and currently serves on the Shepherd University Foundation board of directors. It was this dedication to Shepherd that inspired him to establish the Alfred L. Young, Jr. Scholarship in support of business majors at the university.

"I've had a wonderful, lucky life and, ultimately, this place played a big part in it," said Al. "My time at Shepherd was a jumping off point where I transitioned from kid to adult. I feel an immense amount of gratitude for that and I felt this need to give back."

SCHOLAR SPOTLIGHT: RICKY ROBINSON

Recent graduate Ricky Robinson '21 of Mathias, West Virginia, was a senior business administration major and competed as a defensive lineman on the Shepherd University football team. Ricky was the recipient of multiple Shepherd University Foundation scholarships designated for student-athletes, including the James and Katherine Moler Athletic Scholarship, William and Monica Lingenfelter Scholarship, Foundation Football Scholarship, General Athletic Scholarship, and the 1955 Football Team Endowment. The 1955 Football Team Endowment in particular was established

in 2006 by a group of alumni to honor the undefeated 1955 Ram football team and provide funds to support the football program. In addition to providing scholarships, the endowment is also designated to help fund equipment costs, travel expenses, insurance, or other needs as determined by the coaching staff.

"It means a lot to me as a student athlete to have received these scholarships," said Ricky. "It takes a lot of effort to be successful both in the classroom and on the field."

LATE SHEPHERD UNIVERSITY PROVOST SCOTT BEARD HONORED WITH NAMED FUND

The Scott Beard and Alan Gibson Endowed Scholarship for Music and Nursing was established in April 2021 following the tragic passing of Shepherd University's provost and vice president for academic affairs, Dr. Scott Beard. Led by Dr. Beard's life partner of 30 years, Alan Gibson, with contributions from alumni, friends, colleagues, and students, the scholarship award supports students pursuing studies in the area of music or in the Doctor of Nursing Practice (DNP) degree program.

"I knew he would have wanted this," said Alan, who created the named fund to honor two of his partner's passions. "Scott was known and will be remembered for his music, but nursing

was dear to his heart as well. His mother was a nurse, and of course Scott was instrumental in bringing the Doctor of Nursing Practice degree to Shepherd. It was a labor of love and he was very proud of it."

The first awards of the Scott Beard and Alan Gibson Endowed Scholarship for Music and Nursing were made to five students during the 2021-2022 academic year. Alan is pictured here with two of the recipients, Korinne Myers (l.) and Meya Collings (r.), both music majors at Shepherd. Not pictured are Damien Unger, Logan Hassler, and Jaime Day, all students in the DNP program.

REMEMBERING DR. SCOTT BEARD

In late March 2021, the Shepherd community was shocked and saddened to learn of the sudden and unexpected passing of Dr. Scott Beard, provost and vice president for academic affairs. A graduate of the Peabody Institute at Johns Hopkins University, Dr. Beard was also a full professor in Shepherd University's School of Music. In addition to his undergraduate degree, he held a Master of Music and Doctor of Musical Arts, both from the University of Maryland, College Park.

Dr. Beard's responsibilities at Shepherd included the oversight of all graduate programs and institutional and programmatic accreditation, as well as cyclical program reviews, development of new degree program proposals, and campus representation for academic affairs. Major accomplishments during his tenure included the successful implementation of Shepherd's first doctoral program, the doctor of nursing practice, and Shepherd's first certificate program at the graduate level in Appalachian studies. Recognized for his outstanding teaching abilities, Dr. Beard was named West Virginia Music Teacher of the Year in 2006 and was runner-up for West Virginia Professor of the Year in 2009.

Administrator, teacher, concert pianist, and friend, Dr. Beard's passing has left a heartbreaking void at Shepherd and within the greater community. LEGACY GIFT PROVIDES SUPPORT TO PREVIOUSLY ENDOWED SCHOLARSHIP

In 2020, a legacy gift made through the Shepherd University Foundation from the Carrol E. Kline and Mary Ellen Kline Trust helped support a named scholarship previously endowed by the couple during their lifetimes. The Carrol and Mary Ellen Wareham Kline Scholarship is a general academic award designated for residents of Berkeley, Jefferson, and Morgan counties in West Virginia.

Hailing from Hagerstown, Maryland, Carrol Kline '50 and Mary Ellen Wareham Kline '51 graduated from Shepherd College and went on to enjoy fulfilling careers in education with Washington County Public Schools in Maryland. Prior

to his teaching career, Carrol was a pilot with the Army Air Corps and a World War II veteran. He also wrote poetry and published a book of poems reflecting on his time in the service and other observations throughout his life. Carrol passed away in 2015 at the age of 90, and Mary Ellen — known to friends and family as Tudy — followed in 2020.

"My aunt and uncle shared positive feelings about Shepherd because it directed their life's work," said Linda Golden, the Klines' niece and trustee. "They believed everyone should have access to a college education and that is why they chose to make this gift."

Senior Amanda Brooks of Harpers Ferry, West Virginia, was the first recipient of the Berkeley-Jefferson Extension Master Gardeners Scholarship during the 2020-2021 academic year. The annually funded award supports students pursuing a certificate or degree in Shepherd's sustainable agriculture program, a collaboration between the environmental studies program and the College of Business with a focus on sustainable agriculture production and agricultural business management. Amanda is majoring in sustainable food production within the program, which was developed around the renovation and use of Tabler Farm.

"The Berkeley-Jefferson Extension Master Gardeners Scholarship provides a statement on the importance of horticulture and agriculture to the community," said program director Peter Vila. "It grows the connection between the student and the wider community and puts a value on educational experience."

Led by president Rick Lowman, the Berkeley-Jefferson Extension Master Gardeners program utilizes the services of volunteers trained in home horticulture to share knowledge with other county residents.
