

DUAL ENROLLMENT

ABOUT DUAL ENROLLMENT

High school and homeschool students can receive college and high school credit simultaneously at Shepherd University! Students can take classes toward high school graduation requirements or to get a head start on their college career. Contact us to learn more!

WHY DUAL ENROLLMENT?

- Challenge yourself with college-level curriculum
- Eliminate duplicate classes required in both high school and college
- Gain skills and confidence
- Ease your transition into college
- Take fewer classes to earn your college degree, save on tuition, and potentially graduate early
- Work with faculty and peers in a collegiate classroom setting
- Use your Dual Enrollment credits to earn a bachelor's degree at Shepherd University or transfer them into most universities in the United States

DID YOU KNOW?

200-260

students participate in Shepherd's Dual Enrollment program each year?

3.7

is the average college GPA for Dual Enrollment students?

BENEFITS

Dual Enrollment students at Shepherd University are considered part of our Ram Fam and get most of the same benefits the rest of our students do:

- Opportunity to interact with faculty and students at a variety of academic lectures and fun campus events
- Access to the Scarborough Library
- Free admission to sporting events
- Use of the Student Center and other campus facilities
- Access to academic support and accessibility services
- Discounts at dining locations and the Wellness Center

COST

Dual Enrollment students enjoy discounted rates:

- \$84 per credit for West Virginia residents
- \$99 per credit for out-of-state residents

COURSES

Dual Enrollment students can take freshmen-level courses offered at Shepherd University. Some popular options include:

- Biology, Chemistry, Environmental Studies
- Business, Economics
- Communication and New Media
- Geography, Political Science
- English, History, Art
- Math, Engineering
- Psychology, Sociology
- Spanish, French, German

LOCATION

Courses are held on Shepherd University's Shepherdstown campus and online.
