

Shepherd University
School of Graduate and Professional Studies
Graduate Student Awards Application

SUBMISSION GUIDELINES

Submission Deadline: April 19, 2024. Only electronic submissions accepted.

Submission site: sdonovan@shepherd.edu – Award Application and supporting documents

Who may apply

Graduate students who are currently or were previously enrolled (Summer 2023, Fall 2023, Spring 2024) are eligible. The research/service should be appropriate to the student's discipline.

Collaborative Submissions

Collaborative graduate work including group projects is allowed. All contributors must be Shepherd University graduate students.

Award Category – Students may apply for more than one award; however, they must submit an entire application package for each award. **See details below for necessary materials.**

Name of Graduate Student: _____

Degree Program:

- | | | |
|----------------------------------|----------------------------------|----------------------------------|
| <input type="checkbox"/> DNP | <input type="checkbox"/> MAT | <input type="checkbox"/> MA-APST |
| <input type="checkbox"/> MA-CSDA | <input type="checkbox"/> MBA | |
| <input type="checkbox"/> MA-CI | <input type="checkbox"/> MS-DAIS | |

Please check one or more of the following categories:

- ☐ **Distinguished Graduate Student in Scholarship** – Based on outstanding scholarship as a graduate student. Collaborative graduate work including group research projects is allowed. All contributors must be Shepherd University graduate students. Submit this form and scholarly paper/project materials.

- ☐ **Distinguished Graduate Student in Professionalism** – Based on outstanding professionalism/service as a graduate student. Submit this form, current resume, and statement addressing community and/or professional service.
