

WE ARE HIRING!

Branch Manager

Full time position at our Capon Bridge Branch

Essential Job Functions

The Branch Manager oversees daily operations and staff, enhances lending performance, ensures excellent customer service, and drives branch goals through sales strategies and community outreach. This role also builds strong customer relationships and promotes bank products and services.

Qualifications

Candidates should have a bachelor's degree in a business-related field or equivalent experience, with prior banking experience preferred. Strong leadership, effective communication skills, and proficiency in Microsoft Office and related systems are essential. The role also requires sound financial judgment and the ability to maintain confidentiality.
