Sara Reynolds (at large)	ABSENT		
vacant (at large)			
Scarborough Library			
Tara Carlisle (LIB)	PRESENT		

Quorum = 11 voting members

- I. **Election of a Chair:** Sam Greene was elected chair by acclamation.

- II. **Charge from the Faculty Senate:** The Senate has referred adoption of the AAC&U ELO's and Value Rubrics to C&I and the Core Curriculum committees and will be receiving reports with recommendations from those committees at our October 20 meeting.

- III. **Reports**
 - A. C&I (Craig Cline): Craig Cline shared his report in advance via email.

 - B. Course Substitution Subcommittee (vacant, vacant, and Jacqui Cole): Other than needing to elect two new members and a chair, there was no report. (See "New Business" below for

elections.)

IV. Old Business

A. Update from Provost DeRochi and Monica Larson:

- The Provost distributed a handout that captures the work the Core Curriculum Committee completed for Goal 2, Strategy 1, Tactic 1 of the Strategic Plan. He commended the Committee for their work. He asked for a one- to two-page summary and possible set of recommendations from the Committee in light of that work.
- Considering there are new members of the Committee, all members were charged to review the documents from that work (on Teams) and be prepared to speak to them by the next meeting.
- From there, a working group will begin work on the one- to two-page summary/possible recommendations.

V. New Business

A. Course Substitution Committee Elections: Robert Szarka and Monica Larson were elected to the vacant seats. Jacqui Cole was named the Subcommittee chair.

B. The Committee decided to continue meeting via Zoom moving forward.

C. Senate Charge re: AAC&U ELO's and Value Rubrics: The Committee will review the work already completed (for the Strategic Plan) and use that to respond to the Senate and to C&I.

D. The Committee will revisit last year's discussion of the current policy on the two-semester science sequence. Veteran Committee members will assemble materials summarizing the discussions thus far and share them on the Teams site.
