

SHEPHERD UNIVERSITY

Addendum #1 to RFB SUDL26-14
For Dining and Office Furniture
February 11, 2026

- Q1. Will alternate brands be accepted for the bid?
 - A1. The bid documentation indicates that the it can be bid as specified or equivalent. However, the descriptive literature needs to be included to ensure that an equivalent substitute is being offered.

- Q2. Can you share how the proposal will be evaluated and how pricing vs qualification will be weighted?
 - A2. This solicitation is a Request for Bid (RFB). Pricing is the primary consideration if the product offered is as specified or equivalent to the product specified. Therefore, the descriptive literature is required so that material, quality, and other factors can be evaluated.

- Q3. Can you provide a layout of the space?
 - A3. The layout of the space is attached to Addendum.
