

Resident Activity Checklist

Teacher Candidate: _____

School: _____

Cooperating Teacher: _____

University Supervisor: _____

By the end of the year-long clinical residency, each teacher candidate must document completion of activities related to each indicator for teaching standards 4 and 5 (<https://wvde.us/educator-staff-development/professional-teaching-standards>) Identify the activity, identify the standard you feel that it demonstrates (i.e. 5c), and provide a brief description of what you did and learned as a result of the activity. Have your cooperating teacher initial each activity as they are completed. Keep the Activity Checklist with your lesson plans for regular review by your university supervisor. Upload to Brightspace before the final day of the SU semester.

Suggested activities to consider may include attending a professional development meeting provided by the school system, attending a school committee meeting, attending a meeting related to the special education process, engaging in an activity that connects you to parents, becoming involved in some way in a school-wide assessment, observing in other classrooms. Work with your cooperating teacher to identify a broad spectrum of activities that will provide you with a well-rounded experience. Your university supervisor may suggest activities as well.

Date	Activity	Indicator	Description of Actions/Learning	Approval
		4A: Professional Learning		
		4B: Professional Collaborative Practice		
		4C: Reflection on Practice		
		4D: Professional Contribution		
		5A: School Mission		
		5B: School-Wide Activities		

		5C: Learner-Centered Culture		
		5D: Student Support Systems		
		5E: Student Management Systems		
		5F: School, Family and Community Connections		
		5G: Strategic Planning/Continuous Improvement		
		5H: Teacher Leadership		
		5I: Ethical Standards		

Upload or enter on BRIGHTSPACE by the final day of the SU Semester.
